3 Cups of Coffee®

3 Cups of Coffee® is a short-term mentorship program, created by Pennsylvania Women Work, and operated in Philadelphia through JEVS Human Services. The program connects job-seeking individuals with volunteer mentors in their desired field of work. The pair meets for an hour, three times over a six-week period. Mentors provide mentees with advice and support, but also open their network to connect mentees to others in their industry. Mentee and mentor matches are cultivated through the 3 Cups of Coffee® Program Manager, who gets to know each mentor and mentee to ensure matches are a fit for both parties.
