

Thinking About College?

The Lasko Scholars Program guides students towards successful acceptance to college through group and individual counseling on all aspects of the college admissions and financial aid process.

Beginning the Week of June 26th

College planning and test prep offered online in the evening to accommodate the schedules of active students.

You'll receive group and individual assistance with:

- College admissions strategies
- Help finding your college 'best fit'
- Completing the Common Application
- Writing college essays
- Understanding the financial aid process
- Completing the FAFSA and state aid applications
- Resources for college scholarships

Plus, these additional supports:

- Ten hours of group SAT prep (optional)
- Receive an assessment to help with career/college major selection
- Meet other college-bound students
- Continued college admission support until Fall 2024 college enrollment

All services provided **FREE OF CHARGE** through the generosity of the Lasko Family Foundation. Financial eligibility guidelines apply.
