This timecard reflects the actual hours and specific times I worked or provided in-person or on behalf of services as specified in a person's Care Plan or Service authorization. I did not include services for a person who was in a hospital, Care facility or Incarcerated. I understand that payments to me for the submitted time are funded by federal and state programs and it is a crime to provide false or fraudulent information. It is a federal crime to provide materially false information on service billings for medical assistance or services provided under a federally app
